ALL THE WORLD'S A STAGE

'Boys can do anything' describes the range of activities on offer outside the class room which are an important part of life at **Otago Boys' High School**.

A wide variety of activities are available to all International Students. Joining musical or cultural activities is one of the best ways to mix with kiwi students in a relaxed environment.

You will get an opportunity to join a variety of bands, the orchestra, choir or learn a new instrument. If you already play an instrument in your home country we can make sure your lessons continue while you are here at school

Otago Boys' High School joins with Otago Girls' High School each year for a Drama production. The two schools also join together for the jazz band and orchestra and perform in many festivals

We encourage our students to explore the diversity of activities presented to them outside the classroom. They provide career opportunities in addition to receiving enjoyment and pleasure.
