Our Values

The philosophy of the school is reflected in its list of core values:

- academic focus
- self-discipline
- mutual respect
- understanding and acceptance of diversity
- tradition of achievement
- tradition of participation
- personal integrity and honesty
- positive attitude
- cooperation and responsibility
- self-reliance and confidence.

Our Vision

Otago Boys' High School offers the very best education for boys. The school environment promotes achievement and excellence in all aspects of learning – personal, social, cultural, academic and sporting

Through participation, students will grow to enjoy success and confidence in an environment which fosters leadership and a positive approach to future work in society.
