NOTES:

- 1. Year 11 students must study SIX subjects. It is compulsory to study Mathematics and English. It is strongly recommended that all students should study Science.**
- 2. Please seek course advice from the teacher listed for each subject, your form teacher and deans.**
- 3. Return this form to the School Office on or before Thursday 6 October.**
- 4. Information about each subject is contained in the SENIOR CURRICULUM CHOICES booklet.**
- 5. Students may select only ONE workshop based technology. Metal product Design, Mechanical Engineering and Wood are workshop technologies**
- 6. Please make your choices as carefully as possible to assist our planning. You will have the opportunity to confirm or change your subject choice(s) early next year.**
